

Ethernet Alliance

Expanding the Ethernet Ecosystem,
Supporting Ethernet Development

- **Promote** industry awareness, acceptance and advancement of technology and products based on, or dependent upon, both **existing and emerging IEEE 802 Ethernet standards** and their management.
- **Accelerate industry adoption** and remove barriers to market entry by providing a cohesive, market-responsive, industry voice.
- Provide resources to establish and **demonstrate multi-vendor interoperability**.

- Facilitate interoperability testing
 - Industry Plug Fests supporting member and technology initiatives
- Interoperability Assurance
 - PoE Certification Program
- Collaborative Interaction with other Industry Organizations
 - Multiple SIGs, Applications and MSAs
 - Industry Consensus Building
- Global Outreach
 - Worldwide Membership
- Thought Leadership
 - EA Hosts Technology Exploration Forums
 - Technology and Standards incubation
- Promotion of Ethernet
 - Industry Analysts
 - Education
 - Marketing
 - *Trade shows & Panel Presentations*
 - *White Papers, Blogs & Social Media*
