

DIRECT MACHINING CONTROL

Courtesy of NUI Galway

WHAT CAN WE DO FOR YOU?

Applications from simple micromachining to 5-8 axis machine control

From CAD input to final part with ease of use

Hardware independent

Reduced time to market

DIRECT MACHINING CONTROL

WHAT CAN YOU DO FOR US?

5-8 axis laser processing user's perspective & insights

We have an application lab and we are growing fast

Interesting hardware to test and integrate
